

Expedition Africa

From an elevated platform:

Feed giraffes! Marvel at rhinoceroses, exotic birds, antelopes, and an island full of lemurs. Take an African kayak adventure!

Australia Asia

From way down under:

Aussie kangaroos, wallabies, fruit bats, black swans, emus, cassowaries, kookaburras, parrots, and warty pigs. You can feed the lorikeets! **From Asia:** Gibbons swing about opposite lovely bonsai trees.

Wild Florida

Wild places, unique wildlife.

Alligators, otters, red wolves, foxes, bald eagles, turkeys, turtles, hawks, caracaras, and whatever native creatures are visiting the wetlands today. Kayak across the wetlands and see what you can find!

La Selva

The rainforests of South America.

Every animal gives to the forest: jaguars, monkeys, vultures, giant anteaters, iguanas, sloths, tapirs, macaws, toucans, and tortoises each play a role.

Paws On

Build. Explore. Splash. Touch.

Cool off and meet Indian River Lagoon sea creatures in the play lagoon aquarium. Pet a mammal. Build an animal home. Indoors, dig for clues to solve a mystery, care for toy critters, and visit live animals. Open 10 a.m. to 4 p.m.
